Topic → The first Empire (The Mauryan Empire)

(Solved Assignment for Unit III 2021)

Word meanings on P.no. 67.

Q1: → Explain the main sources of information for the study of the Mauryan period.

Ans: → Megasthenes "Indika" and Kautilya's "Arthashastra" are the main sources of information about the Mauryas. Buddhist and Jain texts also give us valuable information about this period.

An important source of information is the pillar edicts and rock inscriptions of Ashoka. Black polished pottery, coins and

various iron implements also give us information about the Mauryan period.

Q2: → When and how did Chandragupta become the ruler of Magadha?

Ans: → In 321 BCE, with Chanakya's help, Chandragupta overthrew the last Nanda ruler, Dhana Nanda and he became the ruler of Magadha.

Q3: → Who was Seleucus Nicator? When did the war between Seleucus and Chandragupta take place?

Ans: → Seleucus Nicator was the Greek general of Alexander, who ruled over areas around the river Indus.

The war between Seleucus Nicator and Chandragupta took place in 305 BCE.

Q4: → What do you mean by Dhamma? What were its main principles?

Ans: 'Dhamma' is the Prakrit word for the Sanskrit word "Dharma" which means religious duty. Ashoka decided to devote his life to 'Dhamma'. The main principles of Dhamma are: →

1. To respect one's elders, teachers and monks.
2. To help the poor and the needy.
3. To treat slaves and servants with kindness.
4. To speak the truth.
5. To obey one's parents and follow the path of ahimsa.
6. To live in peace and harmony.

Q.5: How did Ashoka spread Dhamma?

Ans: Ashoka adopted the following steps to spread Dhamma: →

1. Ashoka followed the principles of Dhamma in his daily life e.g., he gave up hunting and eating of meat.
2. He got the principles of Dhamma engraved on rocks and pillars.
3. He appointed officials called 'Dharma Mahamatras' whose duty was to explain dhamma to the people.

Q.7: What do you know about the Mauryan economy and society.

Ans: Mauryan Economy: → The Mauryan economy was fairly developed. Trade was a major activity. Both inland and overseas trade flourished. The important inland trading centres were Pataliputra, Ujjain and Taxila. The merchants had to pay taxes on the sale of goods. The Mauryans had developed a broad relations with several countries like Rome, Egypt, China and Sri Lanka.

Mauryan Society → According to Megasthenes, the majority of people worked as farmers. There were also herdsmen, shepherds, merchants, craftsmen, artisans and soldiers. People of all castes lived together peacefully.

Q8 → What were the causes of the decline of the Mauryan Empire?

Ans → The following factors were responsible for the downfall of the Mauryan Empire:

1. The weak successors of Ashoka were unable to control the vast empire.
2. The governors of distant provinces took advantage of the situation and gradually declared independence.
3. The large army could not be maintained without a regular source of revenue.
4. The officers became corrupt, thus affecting the entire system of administration.
